

# NCR SelfServ™ 32

## Interior Freestanding Full-Function ATM

Do you want your self-service network to complement your branch in the best possible way?

YES

### Offering the largest cash dispense capacity in the market

The NCR SelfServ 32 is a full-function freestanding lobby ATM suitable for any indoor location, offering cash dispense, cash and check deposits and a range of revenue-generating services. It is the perfect ATM to complement other branch offerings, providing the widest range of upgrade options and the largest cash dispense capacity in the market.

- **Provide all ATM users with the ultimate experience**

NCR SelfServ ATMs provide the best experience possible for customers and branch staff, thanks to an intuitive, consistent, common layout and design features. Market-leading security solutions also maintain the integrity and regulatory compliance of your network—further maximizing customer confidence, trust and loyalty.

- **Lead with innovative solutions**

With innovative solutions that lead the industry—such as Scalable Deposit Module, NCR Skimming Protection Solution, fully weatherized free-standing ATMs, intelligent deposit and bill payment functionality—NCR SelfServ ATMs ensure you stand apart from your competitors.

- **Achieve operational effectiveness**

NCR SelfServ ATMs offer unrivaled cost-effectiveness by providing best-in-class data for network management. Clear visibility to configurations, software versions and activity levels of each module results in more accurate, timely management decisions and operational excellence.

- **Intuitive usability**

NCR SelfServ enables consumers, cash-in-transit companies, branch staff and service engineers to become experts after the very first use, resulting in better operational efficiency, staff utilization and consumer satisfaction.

- **Increase productivity while ensuring availability**

Unique “self-healing capabilities” and proactive remote manageability ensure NCR SelfServ ATMs minimize downtime. These features lead to increased productivity, revenue generation and more satisfied customers.

## Key Features

- Provides a broad range of services such as bill payment, funds transfer, mobile phone top-up, couponing and vouchers and mini-statements
- PCI-compliant Encrypting PIN Pad (EPP)
- Cash acceptor with flexible deposit modules and recycling options
